

## TRAIN RUNNING DAY

Saturday 11th

11am - 1pm & 2pm - 4pm

A very special Hornby-themed train running event. Watch some of the greatest Hornby trains from the 1930s in action on our glorious period model railway layout

## FRANK HORNBY NIGHT

Friday 17th

7pm-9pm

Join us for this exceptional "Museums at Night" evening of talk and trains, a light-hearted yet informative look at Frank Hornby's life's work - Hornby Trains, Hornby Dublo, Meccano, and Dinky Toys.

Chris Littledale, world class toy restorer and the museum's founder, will be sharing his considerable knowledge of Hornby's work, and discussing the development and evolution of the creations of Hornby's company, Meccano Ltd.
