

# Construction Toys

*Go up the steps into the museum*

*Look around the bottom arch.*

How many different types of construction toys can you find?

.....

Write an example of a construction toy made out of:

a) Wood

.....

b) Plastic

.....

c) Stone

.....

d) Metal

.....

Pick one of the construction toys. How do you think it fits together?

.....

.....

Do you think it would be easy or hard to put together?

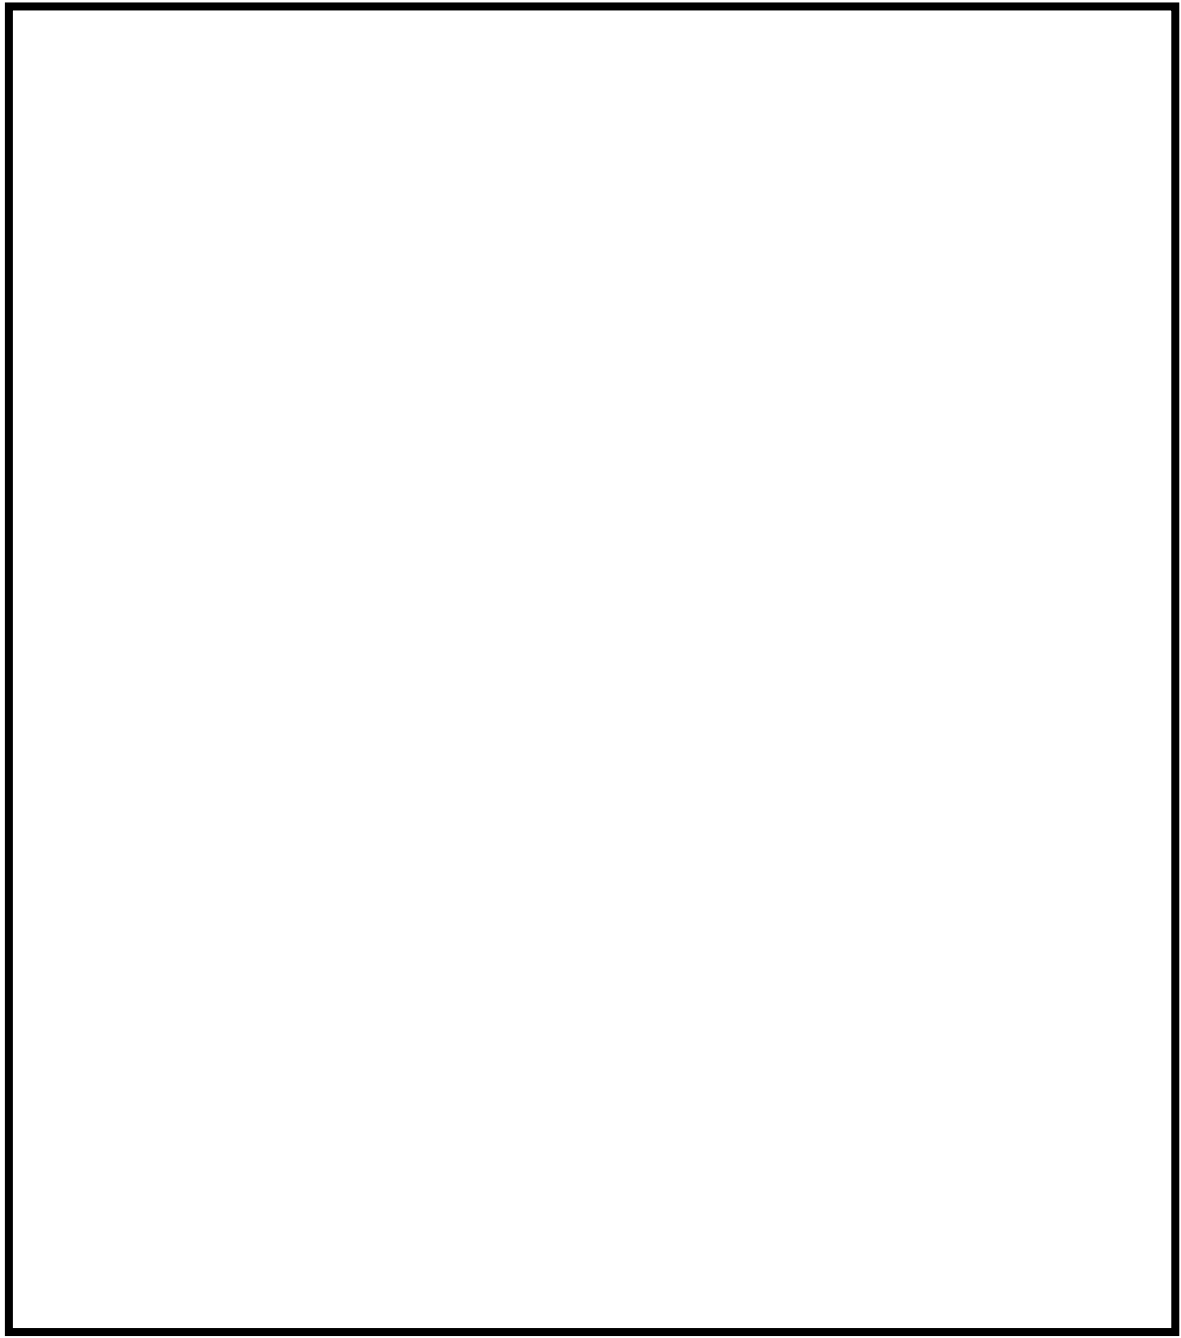

.....

Why? .....

What would you want to build with it?

.....

Design your own Construction set. Draw it here.

What is it made out of?

.....

How does it fit together?

.....

How would you get people to buy it?

.....

.....
