Gift Aid Declaration

Do you pay tax? For every £1 you gift aid, the Museum currently receives an additional 28p. Please enable us to take advantage of the Gift Aid Scheme that allows us to reclaim the tax on every gift, so long as you have paid income tax or capital gains tax equal to the tax we will reclaim. Plus if you pay at the higher rate, you can claim back for yourself the difference between the standard rate and the higher rate of tax. For every £1 you give, you can reclaim 12p for yourself.

- I am a UK tax payer, and I want the charity to treat all donations I have made since the 6th April 2002, and all donations I make from the date of this declaration until I notify you otherwise, as Gift Aid donations.

Junior Membership Application Pack 2018

1. If your declaration covers donations you may make in the future: please notify the charity if you change your name or address while the declaration is still in force. You can cancel the declaration at any time; by notifying the charity it will then not apply to donations you make on or after the date of cancellation, or such later date as you specify
2. You must pay an amount of income tax and/or capital gains tax at least equal to the tax that the charity reclaims on your donations in the tax year
3. If in the future your circumstances change, and you no longer pay tax on your income and capital gains, equal to the tax that the charity reclaims, you can cancel your declaration
4. If you pay tax at the higher rate, you can claim further tax relief in your Self Assessment tax return. If you are unsure whether your donations qualify for Gift Aid tax relief, ask the charity. Or you can ask your local tax office for an explanatory leaflet
5. To conform to Inland Revenue requirements for Gift Aid the benefit of free entrance is restricted to Members, Friends and Patrons
